AWONBIOWO

SOFTWARE ENGINEER

PROFILE

Self-motivated IT professional with 2years experience. I have proficiency in HTML, CSS, JavaScript, and jQuery. with experience in responsive and adaptive design, advanced knowledge of React js. and great problem-solving skills, communication skills and collaboration skills. My ambition is to be the best at what I do and to make sure I impact any organization I work for positively. I am passionate about providing solutions that help simplify and make people's lives easier and this is how I get motivated.
